BROTTE

The Best of Rhône
CHÂTEAUNEUF-DU-PAPE
DE PÈRE EN FILS DEPUIS 1931

A FAMILY PASSION IN CHATEAUNEUF-DU-PAPE SINCE 1931

Five Generations of Pioneering Spirit

The Brotte family has been guided by a spirit of innovation for almost a century. The company was one of the first bottlers and to be traded internationally.

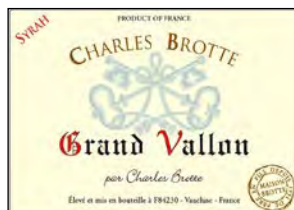

Laurent Brotte, grandson of the founder, now manages the House. His wife and sons are also at his side. He embodies the 4th generation winemaker since his great maternal grandfather, Edouard Amoureux owned in 1880 Châteauneuvoises lands today exploited by Laurent Brotte and housing the Domaine Barville.

A RESPONSIBLE ESTATE

In 2021, Philippe Le Hardi started its conversion to Organic Agriculture with the aim of obtaining certification for the entire vineyard in 2024. This decision is part of a process of reflection: respect for the environment has been a guiding principle since the acquisition of the Château by the Crédit Agricole in 1997.

ESCUDO ROJO

MAIPO CHILE

At Buin-Maipo, 45 kilometres south of Santiago, Viña Baron Philippe de Rothschild Chile stands proud in the middle of its own 60-hectare vineyard.

Escudo Rojo, the Rothschild family's eponymous first wine, comes from the Maipo Valley, the historic birthplace of great Chilean wines.

Escudo Rojo owes its refinement to French grape varieties and its power to the Chilean soil.

In their quest for perfection, our winemakers select the best wines from Chile's magnificent terroirs, then blend them with precision to produce this complex, exceptional wine.

Nestled on a privileged location in the Douro, Quinta do Crasto is one of the oldest winemaking estates in the region – the name 'Crasto' is derived from the Latin word 'castrum', which means 'Roman fort'. The first known references to Quinta do Crasto can be traced back to 1615, long before the Douro became the world's first Demarcated Wine Region in 1756.

MAXEM

In Latin, MAXEM has the distinction of meaning “best of the best.” It also combines the names of the owner’s two children, Max and Emma. With the iconic Ulises Valdez Vineyard as their source on the Sonoma Coast, Sam and Nancy Kaplan make Pinot Noir from the historical Calera clone and Chardonnay from the equally acclaimed Wente clone. Sam is a highly regarded winemaker; Nancy a professional chef with her laser palate, has an equal say.

The grapes lend themselves to the style of wines Sam & Nancy both love: exquisitely balanced with bright acids and high tones yet richly textured and possessing full depth of flavor. After nearly two decades of helping others fulfil their dreams, “Now it’s our turn”. They have been lucky to work with some of the best in the business.

Country Ridge Cellars

CALIFORNIA FAMILY ESTATE

2023 in Napa Valley was one of the greatest vintages in recent memory.

This was an exceptional year that produced Cabernet Sauvignon of great ripeness and tannic structure.

The resulting wines are fresh, ripe and enjoyable now but will develop and evolve nicely over time. This is a vintage that is not to be missed.

The RUBIN FAMILY of WINES
A BEAUTIFUL EXPERIENCE

OUR STORY

Located in Green Valley of Russian River Valley, a sub-appellation of Russian River Valley in Sonoma County, The Rubin Family of Wines is committed to producing exceptional wines. Our wines are sourced from both estate-owned and local family-owned vineyards to bring you a beautiful experience that expresses the unique character of the varietals, vineyards and people behind the wines.

EDEN RIFT

Under Vine Since 1849

Our Story

Under Vine Since 1849 - Eden Rift is perhaps the oldest, continually producing estate vineyards in California.

A remote, pacific refuge located under the shadow of the Gavilan Mountain Range, the estate rests on the San Andreas Fault and is part of the Cienega Valley AVA. Only 20 miles from the Pacific Ocean, this site benefits from an ideal, temperate maritime climate as well as the coveted calcareous soils required for the cultivation of vivid, energetic Pinot Noir.

FAMILY

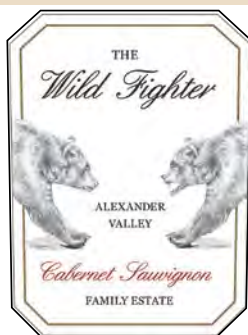

As one of the pioneers of California's Wine Industry, the Parducci family has been devoted to handcrafting premium Mendocino County wines for over 70 years. We source only the finest grapes from dedicated growers and strive to enhance what nature has provided and produce wines of distinction. Winemaker Rich Parducci leads a small dedicated group of wine lovers. Our dedication to excellence builds on his family's four generations of experience and expertise.

WINERY

Once known as the McNab Ranch, the property was originally homesteaded in 1868, by Alexander McNab, a Scottish immigrant. The original property consisted of thousands of acres of land, including the McNab Valley where our winery now stands. Nestled at the back of the valley, McNab Ridge is surrounded by some of the finest vineyards in Mendocino County.

FILLABOA®

Fillaboa, meaning "the good daughter" in the Gallego dialect of northwestern Spain, produces some of the rarest and highest quality wine from the D.O. Rías Baixas.

Bodegas Fillaboa's estate is focused exclusively on the cultivation of Albariño. Bodegas Fillaboa is owned by the Masaveu family, which traces its wine making history back to the 14th century. Today Fillaboa is home to a tasting facility and formidable art collection housed in a 15th century Romanesque castle.

EGUREN FAMILY WINERY UGARTE

Vines with 130 years of history

The Eguren family has been directly linked to vine growing since 1870, thanks to our great-great-grandfather, Vitorino, Anastasio, oriundo de Bergara and chocolate trader by profession, falling in love with Estéfana and abandoning the green valleys of Guipuzcoa in the Basque Country to settle in San Vicente de la Sonsierra.

BARDOLINO

DENOMINAZIONE DI ORIGINE CONTROLLATA

LAKE GARDA, ITALY

Mr. Lake is a blend of Corvina and Rondinella grapes.

Medium intensity with ruby red color. Fine and delicate with a great fruitier style. It shows a fresh cherry and wild strawberry bouquet with spicy hints.

Enjoy slightly chilled!

RICASOLI
1 1 4 1

The history of the Ricasoli family has been linked to wine since 1141, when there is written testimony attesting that the Ricasoli family already possessed Brolio Castle. After centuries defending their lands and feudal sovereignty, the Ricasoli family understood the great potential of the Brolio territory and were among the first to dedicate themselves to the improvement of agriculture and vineyards.

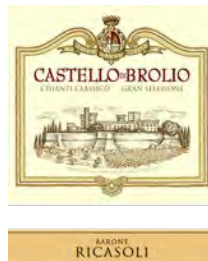

Ricasoli is the most representative wine producer in the Chianti Classico area. With its gentle hills, velvety valleys and thick woodlands of oaks and chestnuts, the 1,200 hectares of property include almost 240 hectares of vineyards and 26 of olive groves.

TERRA DI MONTEVERRO

Monteverro - Toscana Rosso

83571-17/3pk 2017 3/750 350.00

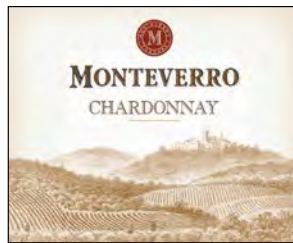

Founded in 1976, **Poggio Antico** consists of 50 clayey, calcareous acres of Brunello di Montalcino in Tuscany, Italy. It is one of Montalcino's most elevated estates, with vineyards averaging 1,476 feet above sea level, southwest of the famed medieval citadel.

Both the unique location and altitude privilege the wines of Poggio Antico, which benefit from the perfect exposure and enjoy favorable overnight drops in temperature - ideal conditions that increase finesse and intense bouquet.

NEVERENDING MAGIC

We have dedicated our wines
to the witches called Janare.
We wish to pass on an ancient
culture in a contemporary
taste while keeping their
magical aura alive.

A UNIQUE LAND IRPINIA

Goleto and Gulielmus are inspired by a magical place wrapped in light and mystery; the Goleto Abbey. The Abbey was built in the XII century by Saint William (Gulielmus in Latin) and was partially destroyed by an earthquake in 1980. Thankfully, Goleto has preserved its timeless beauty and remains today a symbol of Irpinia.

HAI WINES

JUDEAN HILLS

“HAI” means LIFE

HAI WINES are produced at Jerusalem Gold Winery, located in the oldest areas of the land of Israel for growing grapes. Founded 150 years ago, this winery is the only winery to operate in the capital of Israel.

The vineyards of Jerusalem Gold Winery are planted in the Jerusalem Mountains, the Judean Plains and the slopes of Mt. Carmel. We cultivate the vineyards in full cooperation with the vintners and the winemaking team, based on the world view that the wine is produced in the vineyard and the quality of the grapes is its most influencing factor.

WINE MEVUSHAL

יין מבושל

is frequently used in kosher restaurants and by caterers so as to allow the wine to be handled by non-Jewish and/or non-observant waiters. Process called flash pasteurization has come into vogue. This method rapidly heats the wine to the desired temperature and immediately chills it back to room temperature. This process is said to have a minimal effect on flavor, at least to the casual wine drinker. It kills off most of the fine mold, or "must", on the grapes. Irrespective of the method, the pasteurization process must be overseen by The Rabbi to ensure the kosher status of the wine. Generally, they will attend the winery to physically tip the fruit into the crush, and operate the pasteurization equipment. Once the wine emerges from the process, it can be handled and aged in the normal fashion.

Wine that is described as

KOSHER FOR PASSOVER

נשר לפסח

must have been kept free from contact with grain, bread and dough.

Everything comes back to the wine.

Here, discretion is always at the service of elegance,

rarity has a taste of excellence,

the passing on of tradition speaks of continuity,

audacity becomes the guardian of authenticity,

and quality remains primary, above all.

Welcome to the story of **Maison Billecart-Salmon**.

People, Time and Great Wines

In 2018, Billecart-Salmon has celebrated 200 years of history and savoir-faire marked by perseverance and a quest for excellence. For seven generations, their descendants have dedicated themselves to quality. They have been the committed guardians through the centuries of exacting standards and a passion renewed - for the vine, the terroir and the art of winemaking.

A Family Story

Billecart-Salmon was first and foremost the result of a union. A union between Nicolas François Billecart and Elisabeth Salmon who, in 1818 and just married, founded their own Champagne House in Mareuil-sur-Aÿ, a small village near Epernay.

At their side was Louis Salmon, Elisabeth's brother and a passionate oenologist who, from the very beginning, dedicated himself to the development of the wines.

From then on, their heirs have never stopped aiming for excellence in winemaking.

HEIDSIECK & Co MONOPOLE

MAISON FONDÉE EN 1785

The house has had a brisk export business since its creation, particularly to Germany and Russia. His Imperial Highness the Tsar was a great lover of champagne, and every year he had two trains full of Heidsieck Monopole sent from France. Florens-Louis Heidsieck began exporting his wines immediately.

Between 1885, the year of its centennial, and 1900, the House went through a boom period. It sold 952,000 bottles to Great Britain in 1884 and more than 400,000 bottles to Russia in 1912.

Heidsieck & CO Monopole was a leading brand at the turn of the 20th century. It was the official supplier to the King of Prussia and Emperor of Germany (1818), the English court (1911), the Swedish court and King Gustaf (1933), and to Tsar Nicolas II.

Nature's Revenge

LANGUEDOC ROUSSILLON FRANCE

**NATURAL
WINE**

"Petillant Naturel" (pet-nat) refers to the ancient process used to produce fizzy wine. The process is non-interventionist meaning we are only here only to control that the fermentation is conducted properly without adding any components nor manipulating the wines. The first (alcoholic) fermentation happens naturally thanks to the indigenous yeast that are present on the skin of the grapes - the second one (that makes it sparkling) starts in small, temperature-controlled tanks and finishes naturally in the bottles - there is no residual sugar in this wine - it is completely dry. Sulfites that may be present are only the natural ones created during - the fermentation.

"We are lifelong friends, in love with Italy, and with a passion for good wine. Born in Treviso, we lived and travelled around the world, where we each came to the conclusion that nothing out there truly embodied what prosecco meant for us. Thus we created FIOL." – Giovanni, Gian Luca & Pietro – FIOL Founders

FIOL (/fee-ol/ • noun) a term of endearment for a young man, originating from the old Venetian Republic language (1400s), similar to "son" or "chap" in English.

FIOL is not just a drink. It is a way to savor life. It is authentic, edgy, and appreciative of life.

Grappa Riserva SEGNI

Segni takes its origin from the combination of the long aging of this special Grappa with the use of six different types of wood that form the batteries of barrels utilized for the aging. This grappa best represents the liaison between the patient aging of Piedmontese Grappa and the experience gained by the Mazzetti Family in the production of Traditional Balsamic Vinegar of Modena. Segni is an aromatic Grappa that follows a unique production process which provides the progressive transfer of the liquid through six barrels of descending capacity - from 100 to 10 liters - and of different woods including oak, chestnut, ash, cherrywood, mulberry and juniper. The result is the concentration of many distinct flavors of the different woods that express the delicate balance between softness and temperament. Segni owns the body of an important aged grappa from which emerge scents of cherry, mulberry, vanilla and aromatic herbs. With its patient aging and its perfumes and aromas, this Grappa perfectly represents the production philosophy of the Mazzetti Family, with its devotion to quality for almost 200 years.

AMARO UNICO® SICILIANO

UNICO AMARO is an artisanal Sicilian liqueur that comes from the infusion of fresh, hand-selected peels of Sicilian Avocado (green gold), and citrus fruits. The climatic conditions and the rich Sicilian land create

avocados with unique flavor. The beneficial properties of avocado make Unico an excellent digestive. Each bottle of Unico is always different from the other, confirming the craftsmanship that distinguishes it.

A distiller's homage to traditional absinthe verte, this classic expression of anise and artemisia is a masterclass in botanical freshness. Single-grower artemisia pontica from Québec, Provencal fennel seed, and Virginia-grown absinthe herbs are macerated and distilled in classic a French-style pot still. Spirits experts are routinely astounded that an absinthe verte of this caliber and fidelity is being produced in America.

SERVE WITH WATER AND A TOUCH OF SUGAR (ONE PART ABSINTHE TO FOUR PARTS WATER) OR IN COCKTAILS.

PRINCE D'ARIGNAC

ARMAGNAC

Born of the marriage between earth and fire, **PRINCE D'ARIGNAC** is made with grapes from the selective and traditional Armagnac vineyard area. Two possibilities for discovering and enjoying this Armagnac:

PRINCE D'ARIGNAC VS is a pretty straw yellow color with golden tints. It releases floral aromas of violets and fruits like plum or even fresh pear and is flexible, elegant and finely structured with a subtle vanilla and menthol finish.

PRINCE D'ARIGNAC XO, an appealing amber color, rich in fresh fruit and vanilla aromas, is aged for over 10 years in oak casks. The immediate effect on the palate is a mix of roundness and vivacity. The finish is very long and leaves an unforgettable and persistent sweetness.

MARQUIS DE PUYSEGUR - FRANCE

One of the oldest estates in Armagnac at the Bas Armagnac Region.

Armagnac was made at the Château de Puysegur as early as the 1500's.

Jacques de Chastent de Puysegur was the first to introduce armagnac to King Louis XIII of France. Nowadays the quality and style of Armagnac Marquis de Puysegur still honors the name of its prestigious ancestors.

THE MUNROS

SINGLE MALT SCOTCH WHISKY

A BREATHTAKING SELECTION OF MALTS

The challenge, should you choose to accept it, is to conquer Scotland's Munros. Either you could elect to climb all 282 Scottish mountains – called Munros, each one standing majestically over 3,000ft. Alternatively, for something far less exerting, you could savour any of our lofty collection of fine Cask Strength Single Malt Whiskies – each one as unique in character, as any a Munro mountain.

Highland Park 2000 - 22 Year Old

Single Cask Bottling

15071-NV/6pk NV 6/700 **481.66 btl**

Highland Park distillery in Orkney, has been crafting award-winning whisky since 1798. Age, experience, and tradition has defined their whisky but it's Orkney that sets it apart. Something magic happens there and the result is the wild harmony of flavors found in their whisky.

Color: Light Golden

Nose: A distinct peated character with a beautiful dry smokiness.

Taste: Great mouthfeel with elements that are both round and sweet mingling with the slightly dry freshness from the sea air of the Orkney Islands.

Finish: Slight pepperiness with notes of dried fruit and old fashioned boiled sweets.

Bowmore 1997 - 25 Year Old

Single Cask Bottling

15072-NV/6pk NV 6/700 **571.66 btl**

Color: Light Golden

Nose: A powerful blend of smoke and peat but, given a moment or two to develop, this dram opens into a rich and rewarding aroma with notes of oak.

Taste: This is a beauty – a great mouthfeel with much warmth and initial sweetness but finishes with a dryness of quite tart plums. All the time there is the smokiness, the peat and the oak character that reminds one of being locked in a traditional log cabin. An Islay Single Malt that might convert some of those who usually run a mile from too much smoke and peat.

Finish: As one might imagine, this dram has a prodigiously long finish – dry, oak and back to the tart plums... but in a very pleasant way.

Macallan 1991 - 31 Year Old

Sherry Cask Vatting

15073-NV/3pk NV 3/700 **2,833.33 btl**

Nose: Warm and inviting with notes of dried fruits combined with dark Muscovado sugar. Not surprisingly there is a delightful Sherry character together with suggestions of fine oak and the merest suggestion of vanilla.

Taste: This is rather special because here we have an abundance of sweetness along with an amazing, delightful and rewarding character. In this dram you will find flavours of dark, rich fruit pudding and the most sumptuous traditional Christmas cake.

Finish: This Single Malt lasts beautifully on the palate. It is smooth and untroubling and really implores you to share only the tiniest sip with your very special friends and your most favorite of family members.

Founder's Story

"My great grandfather traditionally made agave spirits in the early 1900's. This craft was passed down to my grandfather and father but was lost with me.

As a child I found myself intrigued knowing I came from a family of distillers. I was curious and eager to learn a craft that was lost, this grew into a passion for agave spirits and Lost Lore Tequila was born."
